- C. Assessed in addition to "A" and "B" above, is a charge of \$16.39 per 1000 gross registered tons, minimum 10,000 gross registered tons, and calculated to the nearest 500 gross registered tons.

PILOT DETENTION:

\$124.97 per hour after the first one half hour standby;
\$166.64 per hour for the second hour.

Pilot detention over two hours will be considered a cancelled call and will be charged in addition to detention fees and in accordance with fees for cancellation.

CANCELLATION FEES:

- A. Inbound \$561.09
- B. Outbound \$280.54

Notification of cancellation or changes of arrival and departure times must be given no later than one and one half hour prior to the ordered time of pilotage.

DOCKSIDE MANUVERING:

\$490.96 per hour.

ANCHORAGE AND STANDBY:

When a vessel anchors, inbound or outbound, and a pilot is required to stay on board, a fee of \$166.64 per hour or fractional part thereof, shall be charged in addition to regular pilotage charges.

PILOT “CARRY-AWAY” FEES:

Any pilot carried away to another port due to the vessel’s inability to maneuver into a position that will allow the pilot to safely disembark, shall receive \$833.22 per day or fractional part thereof, calculated from the vessel’s departure at the Gulfport sea buoy to the arrival time of the pilot back in Gulfport, MS., plus first class transportation back to Gulfport, MS, additionally \$166.64 per day living expenses for each day of transit from the vessel back to Gulfport, MS.

TRANSPORTATION FEES PER SHIP MOVEMENT:

Inbound	\$94.57
Outbound	\$94.57

FUEL SURCHARGE PER SHIP MOVEMENT:

Fuel Surcharge is based on monthly fuel charges divided by number of ship movements in that month. Fuel Surcharge is added to the Transportation Fee. Calculation and supporting documentation is filed with the Port Operations Office of the Mississippi State Port on the first of each month.
