TO: ALL AGENTS, OWNERS, & CHARTERERS
DATE: 1/23/14
FROM: SABINE PILOT ASSOCIATION

Effective February 1, 2014 there will be a 0.3% increase in the Sabine Pilot Association tariff as approved by the Jefferson and Orange County Pilot Commissioners on December 16, 2008 and pending final approval at Jan 30, 2014 Commissioners meeting. The rates will be adjusted annually thru 2018 in proportion to changes in the Producer Price Index ("PPI") for Navigational Services Provided to Shipping and any supplementary and/or amended versions thereof, as published by the United States Bureau of Labor and Statistic. Please visit our website for updated rates on February 1, 2014.

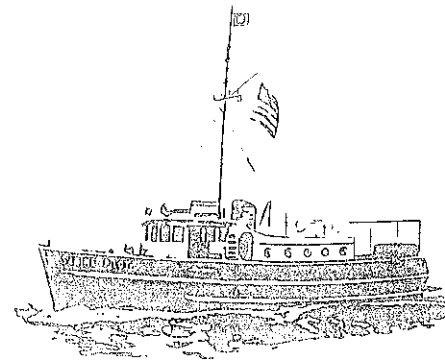

The Sabine Pilot tariff indicates that all invoices are payable immediately for all services. Payments not received within 15 days of date of invoice will be considered late and additional fees will be assessed after 30 days.

SABINE BANK PILOTS
5148 WEST PARKWAY ST.
GROVES, TEXAS 77619

EFFECTIVE October 01, 2011

Pilot charges for vessels requesting the services of the Sabine Bank Pilots seaward of the Sabine Bar Pilot Station (LAT. 29-36N, LONG. 93-48W) to or from the "SB" Buoy and approaches will be calculated according to the vessel's Units and Rate Per Unit.

PILOT CHARGE = UNITS X RATE PER UNIT

The Vessel's Units will be determined as follows:

LENGTH-OVERALL X VESSEL'S MAXIMUM WIDTH X VESSEL'S FRESH WATER DRAFT DIVIDED BY 1000

[(LOA X Extreme Beam X Draft) / 1000]

For the determination of the Vessel's Units all Lengths, Widths and Drafts will be expressed in FEET and rounded to the nearest 1/10 of a FOOT. A TWENTY (20) FEET minimum draft applies.

0000 TO 2000 UNITS @ \$.5289 PER UNIT BUT NEVER LESS THAN	\$661.18
2001 TO 3000 UNITS @ \$.5183 PER UNIT BUT NEVER LESS THAN	\$1,057.89

RATES, CHARGES, AND FEES

Charge Rates for Sabine-Neches Waterway (EFFECTIVE JANUARY 01, 2010)

CHARGES

TURNING CHARGE

For turning a vessel whose length is 800 feet or greater, or whose beam exceeds 120 feet or more, either prior to docking or following sailing - **\$ 133.51**

TOWS

Vessels in tow with one pilot shall be charged 1/2 draft foot of the pilot with a minimum fee of **\$ 375.46** in addition to the towing vessel's fee. Vessels in tow requiring two pilots (one on the vessel being towed and one on the towing vessel) shall be charged double draft foot fee in addition to the draft foot fee for towing vessel. The decision as to whether or not a second pilot is required shall be made by the Sabine Pilots. The rates for the movement of unusual types of floating equipment, such as drilling rigs, rafts, and tunnel sections, etc. shall be by specific agreement before movements.

HOLDING TIME

For all vessels requesting the pilot to HOLD the vessel alongside a dock or bank or other pilotage service not mentioned herein, **\$ 208.60** per hour.

DETENTION

Whenever a vessel has to standby or anchor and cannot proceed to her destination, for whatever reason, in excess of one-half hour, a charge of **\$ 111.25** per hour or fraction thereof shall be made. Detention of a pilot aboard a vessel prior to sailing from a berth or anchorage in excess of one-half hour, or detention of a pilot aboard a vessel in excess of one hour after the vessel is alongside or at anchor, **\$ 111.25** per hour or fraction thereof shall be charged.

Whenever a vessel fails to arrive within one-half hour of its reported arrival time a detention charge of **\$ 111.25** per hour or fraction thereof shall be made until the vessel arrives. A vessel arriving shall give a six (6) hour notice prior to the requested boarding time, while a vessel sailing shall give a four (4) hour notice prior to the requested sailing time.

CANCELLATION

Cancellation of request for pilot services may be made up to two (2) hours before the requested sailing time, or up to four (4) hours before the requested boarding (arrival) time without charge. Otherwise, a cancellation charge of **\$ 278.14** shall be made.

DESTINATION

The location or berth or anchorage shall be considered the destination of a vessel when stopping en route for the convenience of the vessel.

SPECIAL TARIFF CLAUSE

The rate for Pilotage Services for vessels of unusual size or construction or with unusual maneuvering characteristics, or with restricted vision, or other services not covered herein shall be determined by Specific Agreement before movement.

On the first call of any vessel with a length of over 860 feet or a beam in excess of 120 feet, there shall be two (2) Pilots and the pilotage fee for the second pilot shall be one hundred (100%) percent of all gross tonnage units and draft charges only for the first Pilot otherwise called for herein. On departure and subsequent calls, one (1) Pilot will be required unless the Sabine Pilots determine that two (2) Pilots are necessary for safe navigation for the vessel. In case of disagreement on the need for two Pilots, two different Pilots will be assigned to handle the departure of first subsequent call, and final determination will be made by the Sabine Pilots.

PORT SAFETY COMMUNICATIONS

Per movement - **\$ 29.20**

TRANSPORTATION CHARGE

When dispatching a Pilot to shift or to sail -- **\$ 41.72** per movement

When dispatching a Pilot to Sabine -- **\$ 69.54** per movement

When shifting in same zone or to an adjacent zone, or when job is cancelled after reporting aboard vessel, one transportation fee will be charged.
